Out-of-pocket limit in 2022**					\$6,620**	\$3,310**				

\*Plans F and G also offer a high-deductible plan in some states. With this option, you must pay for Medicare-covered costs (coinsurance, copayments, and deductibles) up to the deductible amount of \$2,490 (in 2022) before your policy pays anything. (Plans C and F aren't available to people who were newly eligible for Medicare on or after January 1, 2020.)

\*\*Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

\*\*\*Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.
